**PETITION TO WITHDRAW HOLDING OF ABANDONMENT**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This paper is filed in response to the notice of abandonment mailed November 8, 2011. The notice of abandonment was mailed because the U.S. Patent Office did not receive a response by October 28, 2011, to a final Office action dated April 28, 2011 (hereinafter, "April 28 Office action"). By this paper, Applicant respectfully petitions the Commissioner to withdraw the holding of abandonment under 37 C.F.R. 1.181. This petition to withdraw the holding of abandonment is based on non-receipt of the April 28 Office action. In particular, the office of the undersigned practitioner did not receive the April 28 Office action via U.S. mail at the practitioner's correspondence address of record. The undersigned, through this communication and the enclosed appendices, has met its burden of proof to establish non-receipt of the April 28 Office action in accordance with MPEP § 711.03(c), which requires as follows:

To minimize costs and burdens to practitioners and the Office, the Office has modified the showing required to establish nonreceipt of an Office action. The showing required to establish nonreceipt of an Office communication must include a statement from the practitioner describing the system used for recording an Office action received at the correspondence address of record with the USPTO. The statement should establish that the docketing system is sufficiently reliable. It is expected that the record would include, but not be limited to, the application number, attorney docket number, the mail date of the Office action and the due date for the response.

Practitioner must state that the Office action was not received at the correspondence address of record, and that a search of the practitioner's record(s), including any file jacket or the equivalent, and the application contents, indicates that the Office action was not received. A copy of the record(s) used by the practitioner where the non-received Office action would have been entered had it been received is required.

A copy of the practitioner's record(s) required to show non-receipt of the Office action should include the master docket for the firm. That is, if a three month period for reply was set in the nonreceived Office action, a copy of the master docket report showing all replies docketed for a date three months from the mail date of the nonreceived Office action must be submitted as documentary proof of nonreceipt of the Office action. If no such master docket exists, the practitioner should so state and provide other evidence such as, but not limited to, the following: the application file jacket; incoming mail log; calendar; reminder system; or the individual docket record for the application in question.

Applicant respectfully requests that the Office grant this petition and remail the April 28 Office action with a reset three month statutory period for reply.

#### Statement of Facts

1. The undersigned has reviewed the docketing records of Banner & Witcoff, Ltd. ("Banner & Witcoff"), the law firm where practitioner practices, as well as Banner & Witcoff's file jackets for this application. The undersigned confirms that there is no record in the firm's docketing system or in the case file jacket indicating that the April 28 Office action was received prior to receipt of the November 8, 2011, Notice of Abandonment.<sup>1</sup> Based on this review, the undersigned has reasonably concluded that Banner & Witcoff did not receive the April 28 Office action at the correspondence address of record prior to receipt of the November 8, 2011, Notice of Abandonment.

2. Banner & Witcoff uses at least an electronic docketing system for recording correspondence received from the USPTO. For each item of incoming mail received from the USPTO, Banner & Witcoff's standard docketing procedure is as follows: open the incoming mail item upon receipt, date stamp the opened mail item, enter the opened mail item in an incoming

PTO log, docket the opened mail item in the firm's electronic docketing system, and forward the opened mail item for delivery to the appropriate Banner & Witcoff personnel. The firm's incoming PTO log is used to record the application number, attorney docket number, and description of the correspondence received. The firm's docketing system and procedure are sufficiently reliable.

3. Appendices A, B, C and D are enclosed as evidence that Banner & Witcoff did not receive a copy of the April 28 Office action prior to receipt of the November 8, 2011, Notice of Abandonment.

4. Enclosed as Appendix A is a copy of Banner & Witcoff's incoming PTO mail log for business days from April 28, 2011 to May 13, 2011. For each incoming paper received from the PTO on each of the business days during this period, an entry was made in the log. Each entry included the application number or other PTO-assigned control number (in the "Application #" column), Banner & Witcoff's docket number (in the "Client/Matter #" column), and a document description. The PTO mail log of Appendix A contains no entry for the April 28 Office action, thereby indicating that Banner & Witcoff, Ltd. did not receive the April 28 Office action. Had Banner & Witcoff received the April 28 Office action, this log would have an entry for same. Portions of the log of Appendix A have been redacted to preserve confidentiality of information not related to this application.<sup>2</sup>

5. Enclosed as Appendix B is a copy of a listing of a portion of Banner & Witcoff's electronic docketing record for this application. The record entries are in chronological order, and pages of the listing relating to periods prior to April 28, 2011, have been omitted. One entry on the first page unrelated to non-receipt of the April 28 Office action has been redacted. Had

<sup>2</sup> The redactions to Appendix A allow the Office to observe that none of the entries match this application. For example, none of the application number entries of Appendix A match 09/588,003, i.e., none of the application numbers beginning with series 09 end in "003." Several of the client-matter number entries have "00007" as the final five digits (see pages A-6, A-7, A-8, A-14 and A-16). For those entries, two additional digits are revealed so as to confirm that these numbers do not represent the docket number for the current application (i.e., to show that the first six digits of those client-matter numbers are something other than "006918"). The undersigned has personally reviewed a copy of Appendix A in unredacted form and can further confirm that none of the redacted entries in Appendix A match this application.

the April 28 Office action been received, an appropriate entry indicating one or more due dates for response to the April 28 Office action would be shown. Because such dates are not shown, Appendix B is further evidence that the April 28 Office action was not received by Banner & Witcoff.

6. Enclosed as Appendix C is a copy of Banner & Witcoff's automated docketing report of October 28, 2011, for the undersigned practitioner, that includes, among other things, all final deadlines and statutory bars for October 28, 2011, which was the final deadline associated with the April 28 Office action. The report of Appendix C further reflects that the April 28 Office action was not received. The undersigned has been designated as the responsible attorney ("Resp") for this application since prior to April 28, 2011. If Banner & Witcoff, Ltd. had received the April 28 Office action, the report of Appendix C would have included an entry indicating that October 28, 2011, was the final due date for taking action in connection with the April 28 Office action. However, no entry for this application is found in the record of Appendix C.<sup>3</sup>

7. Enclosed as Appendix D is a copy of Banner & Witcoff, Ltd.'s automated docketing report of July 28, 2011, for attorney Bradley Wright. Mr. Wright has been a reviewing attorney for this application since prior to April 28, 2011. July 28, 2011, was the three month due date for response to the April 28 Office action. Had Banner & Witcoff received the April 28 Office action, the report of Appendix D would indicate that due date for this application. As can be seen in Appendix D, no such indication is present.<sup>4</sup>

---

<sup>3</sup> Portions of the record of Appendix C have been redacted to preserve confidentiality of information not related to this application. None of the application number entries of Appendix C match 09/588,003, i.e., none of the application numbers beginning with series 09 end in "003." Similarly, none of the client-matter number entries have "00007" as the final five digits. The undersigned has personally reviewed a copy of Appendix C in unredacted form and can further confirm that none of the redacted entries in Appendix C match this application.

<sup>4</sup> Portions of the record of Appendix D have been redacted to preserve confidentiality of information not related to this application. None of the application number entries of Appendix D match 09/588,003, i.e., none of the application numbers beginning with series 09 end in "003." Similarly, none of the client-matter number entries have "00007" as the final five digits. The undersigned has personally reviewed a copy of Appendix D in unredacted form and can further confirm that none of the redacted entries in Appendix D match this application.

8. Docket reports similar to those of Appendix C and D are emailed to Banner & Witcoff attorneys on every weekday and contain entries concerning matters for which the receiving attorney is a responsible or reviewing attorney. Had Banner & Witcoff received the April 28 Office action, an entry for the three month due date associated therewith would have appeared on a docket report emailed to the undersigned on July 28, 2011. After reasonable search, neither the undersigned nor his assistant could find a copy of a July 28 email forwarding a docket report for matters associated with the undersigned. It is believed that any such email was deleted as part of normal email inbox maintenance by the undersigned and his assistant.

No fee is believed due in connection with this filing. However, if any fee is due, the Commissioner is hereby authorized to charge such fee to Deposit Account No. 19-0733. If the Office should have any questions, the Office is invited to call the undersigned at the phone number provided below.

Respectfully submitted,

/H. Wayne Porter/
